## Registration Desk

Upon arrival, this is where you will get your badge, engraved bricks, MOC cards, goodie bag, and this program! The registration desk is also where we ask you turn in lost items. We are also selling a limited number of Bricks Cascade T-shirts and memorabilia here. The desk will be staffed at (almost) all times with knowledgeable, courteous staff here to help with your Bricks Cascade experience.

## Merchandise

Purchase and pick up your Bricks Cascade merchandise at the table next to the Registration Desk. Quantities of some items are limited!

## ID Badge

Please wear your badge at all times so it is easily visible.

This will identify you as a convention attendee and get you into the hall whenever it is open. ***Please be aware security will not let you into the exhibit hall without a badge.***

## MOC

MOC Means "My Own Creation". These are all the amazing creations builders bring to the convention to share with the public.

## MOC Card

All MOCs should be registered and then displayed with a printed MOC card.

## Theme Coordinators

The Theme Coordinators manages placement and handling of MOCs.

Work with your theme coordinator for MOC placement if your MOC is unusually large, otherwise there is generally plenty of space for MOC placement. It may be necessary for the theme coordinator to move MOCs during set up, so please communicate with them if your MOC is extraordinarily fragile or should not be moved.

## General Conduct

The purpose of Bricks Cascade is to have fun and interact with other builders. We expect everyone to conduct themselves in a manner that is respectful and considerate of others.

Attendees may be asked to leave if their behavior is disruptive.

***Please do not touch another builder's MOC without permission!!***
